

Product Owner (m/f/d)

Permanent employee, full-time, immediately – Berlin

Your tasks:

- You constantly identify features and product improvements that create value for end users and customers.
- You validate ideas and assumptions with data-driven approaches and explorative interviews.
- You derive the product roadmap from the strategic goals, in order to support value delivery across the go-to-market strategy.
- The team can seek your support in customer and user related questions.
- You are the sparring partner for every team member, in and out of the development.
- You strive for quality: You do your best to align customer expectation, quality to the delivered outputs.
- You support continuous improvement by giving feedback to methods and processes.
- You actively engage in reviews as well and in the testing and deployment process.
- You are only happy when a functionality brings value to an end user.
- You own the product backlog and continuously refine the user stories and prioritize features by taking several data-driven approaches.
- You occasionally support marketing & sales in their acquisition activities.
- You create functional mockups by collaborating with internal and/or external UX experts.
- You manage the input pipeline for internal and external development teams.

Your skills:

- You have previous experience in the development of complex business applications, working in a SaaS is a plus.
- You have a basic understanding of how web based applications technically work.
- You have experience in interviewing customers in an explorative, non-biasing way.
- You have a very good knowledge of prioritization techniques.
- Very good understanding of agile development processes (Scrum, Kanban) and optionally hold certificates in this field.
- You know how to support the team in the estimation processes.
- You feel comfortable communicating in English, German is a big plus
- You fully embody the agile mindset and accept the values proposed in the agile manifesto (you will be asked to accept those values upon joining).
- You are curious and keep yourself up-to-date, you like to learn about new products, trends and technologies.

About us:

FP NeoMonitor GmbH i.G. is a new founded 100% subsidiary of Francotyp Postalia. We set out with our team to deliver customer value and grow by applying lean startup and agile principles. The offerings will be aligned with market demand and their value proposition realized through customer-centric validation.
