

**PLEASE SEE THE BELOW STEPS TO ENSURE YOUR MACHINE IS
RATE CHANGE READY**

PLEASE DOWNLOAD BEFORE MONDAY 25TH MARCH 2019

Model: FP PostBase

If you have not yet installed the new rates then your machine will display the following message

“New update available. Please download new software by using <REMOTE SERVICE>”

To install your new rates follow the steps below.

On your home screen, please select Menu, use your right arrow until you see the option remote services. If you then select this option, your machine will instantly begin to draw down the latest software which will include your 2018 rate table.
