

Quality Policy Statement

The company is committed to providing its customers with high quality products services such that they will continue to regard FP Mailing Ltd as their supplier of choice and will therefore not hesitate to continue in a business relationship.

This policy is achieved through meeting the requirements of the Management System described in this manual which in turn ensures compliance with the ISO 9001:2015 Standard, as well as any relevant statutory and regulatory requirements. continual improvement of the business is facilitated partly through measuring the levels of service delivered to our customers and acting upon these results to ensure any perceived shortcomings are rectified, as well as through the setting of quality objectives as and when opportunities for further improvements are identified.

The company is committed to meeting all relevant quality objectives as well as all other external requirements relating to its business including External Internal Influences process risks.

This policy is communicated to an external audience as well as to all personnel who may work for or on behalf of the company.

To this end, the quality management system is reviewed at appropriate intervals and enhanced wherever possible based on both internal measures and input from stakeholders.
