
Wegbereiter für die Digitale Transformation gesucht

The FP Group, headquartered in Berlin, has been the expert in secure mail business for 95 years. We worked hard to become one of the foremost suppliers in the world of mail processing equipment. Now, we also offer digital solutions in communication and related areas. Our customers are more than 200,000 satisfied businesses and government agencies, all over the world.

We are expanding the R&D team. Join us as

Software Developer Mobile Applications (m/f/x)

Francotyp-Postalia GmbH / Headquarters Berlin

Your Role:

- ✓ You develop mobile apps for publication in the Apple AppStore and Google PlayStore.
- ✓ You work on the design of programs and program parts using architectural principles and modeling tools to create and model subcomponents of a system and derive system and program structures.
- ✓ You will coordinate interfaces and align with other departments and business areas.
- ✓ You create manuals according to general guidelines for the specification/documentation of tasks. You are responsible to derive requirements from these documentations in order to implement them.

Wegbereiter für die Digitale Transformation gesucht

YOUR PROFILE:

- ✓ Successfully completed training / studies in electrical engineering or computer science. Career changers are also welcome if they match to qualifications and requirements.
- ✓ In-depth knowledge of the object-oriented programming language (C#) used in the company with extended techniques, frameworks and libraries, as well as a script language or database language used in the company (e.g. TypeScript/Angular).
- ✓ Extensive development experience in the area of mobile applications with the Xamarin Cross-Platform Framework.
- ✓ Expertise in administration and publication in Apple AppStore and Google PlayStore.
- ✓ Experience in development with .NET/.NET core applications desirable.
- ✓ Proof of detailed knowledge of the technologies required for the work process.

YOUR PERSPECTIVE:

- ✓ You are part of a motivated and dynamic team supporting our Company's growths.
- ✓ You work in a performance oriented company culture that combines both, internationality and SMO.
- ✓ We accompany your development with training tailored to your needs.
- ✓ With flexible working hours you can create your own balance.

Be a part of our team and shape FP's transformation together with us! We are looking forward to receiving your job application via E-Mail.
