

Univ. - Prof. Dr. med. Arnd Dörfler

- Head of Department of Neuroradiology, University Hospital Erlangen
- Full Professor of Neuroradiology, Friedrich-Alexander-University, Erlangen-Nuremberg
- Born December 17, 1967 in Karlsruhe, Germany

Professional history

since
2014 Friedrich-Alexander-University Erlangen-Nuremberg
Erlangen, Germany

- Professor (W3, Ordinarius) of Neuroradiology

since
2004 University Hospital Erlangen
Erlangen, Germany

- Head, Department of Neuroradiology

since
2004 Friedrich-Alexander-University Erlangen-Nuremberg
Erlangen, Germany

- Professorship (C3, Extraordinarius) of Neuroradiology

2003

- Board Certification in 'Neuroradiology'

2000

- Board Certification in 'Diagnostic Radiology'

2004
1997 Essen University Hospital
Essen, Germany

- Institute for Diagnostic and Interventional Radiology and Neuroradiology

1997
1996 University Hospital Heidelberg
Heidelberg, Germany

- Department of Neuroradiology

1996
1995 University Hospital Heidelberg
Heidelberg, Germany

- Department of Neurology, Clinical year

1995
1994 University Hospital Heidelberg
Heidelberg, Germany

- Department of Neuroradiology

2016 Offer of an appointment as full professor of Neuroradiology at the University of Zurich, in conjunction with the directorship of the Medical Center of Neuroradiology at University Hospital Zurich (declined in 10/2016)

2013 Offer of an appointment as full professor (W3) of Neuroradiology at the Charité, University Medicine Berlin, declined after being offered a W3 professorship at Friedrich-Alexander-University, Erlangen-Nuremberg in 7/2014

Education

- 2006 University of Kaiserslautern and Witten/Herdecke, Germany
• Master's Degree 'Management of Health and Social Facilities'
- 2002 University of Duisburg-Essen
Essen, Germany
• Habilitation including *venia legendi*, 'Radiological diagnosis and therapy of middle cerebral artery infarction'
- 1994 University of Heidelberg, Department of
Neuroradiology
Heidelberg, Germany
• Doctorate (Dr. med.), 'Magnetic resonance tomography in the acute phase of cerebral ischemia - animal experiments using two ischemia models'
- 1994 Human Medicine Studies at the Universities of Heidelberg and Zurich
1987

Further Activities

- since 2019 Board Member of the German Radiological Society (DRG) Past-President of the German Society for Neuroradiology (DGNR)
- 2018 President of the German Society for Neuroradiology (DGNR)
2016
- since 2014 Full board member of the German Society for Neuroradiology (DGNR)
- since 2006 Extended board member of the German Society for Neuroradiology (DGNR)

- More than 300 publications in scientific journals
- Author of 17 book chapters and 24 review articles
- Expert reviewer for more than 10 scientific journals and a number of national (e.g. DFG) and international funding organizations (e.g. SNF, NIH) and societies

Research Interests

- Multimodal imaging approaches of neurological disease
- 7 Tesla high-field MR neuroimaging
- Interventional neuroradiology

Honors (selected)

- Glaucoma Research Award, German Ophthalmological Society (2013)
- 'Best in science' Award, Society for Vascular and Interventional Neurology, San Francisco, USA (2010)
- Felix-Wachsmann Award of the Academy for education and training of the German Radiological Society (2006)

- Kurt-Decker Award of the German Society for Neuroradiology (2002)
- 'Certificate of Excellence' Symposium Neuroradiologicum, Philadelphia, USA (1998)
