**Now your patients can feel this relaxed.**

**1.5T Open Bore MAGNETOM Aera:** MRI that offers soothing **Illumination MoodLight™**.

## **Nervous patient? We have a solution...**

We understand the thought of an MRI can make your patients a little nervous. That's why we now offer a new technologically advanced MRI — with a twist.

Not only does it provide a wide, **Open Bore design** and **faster scans**, but you can even let your patient **choose the lighting color** that suits them best!

The result is a **more relaxed, comfortable exam** for your patient — and better **diagnostic confidence** for you.
