More comfort for your patient.
More confidence for you...

The New 1.5T Open Bore
MAGNETOM Aera
Now at ABC Imaging Center

**ABC Imaging Center now offers
you a better choice in MRI.**

Introducing the technologically advanced MAGNETOM Aera: Combine a wide, 70 cm, **Open Bore** design with a 550 lb/250 kg patient weight limit to accommodate more patients. A strong magnet that produces **highly detailed images**. The result is a more relaxed, comfortable exam for your patient — and increased diagnostic confidence for you.
