A new MRI with a focus on you... And you... And you...

Introducing the 3T MAGNETOM Skyra. One size really does fit most.

- **Comfortable:** The Open Bore design helps you feel more relaxed — and can accommodate patients up to 550lb/250kg. The shorter magnet also means most exams can be done with your head outside of the system.
- **Fast:** Exclusive technology allows for faster, more efficient exams and less wait time for you.
- **Confident:** A strong 3T magnet delivers excellent images to help your physician make a more confident diagnosis.
- **Personalized:** Unique technology provides a more personalized exam that can be tailored to your specific needs.
