Imagine an MRI that can make your patients feel this relaxed.

INTRODUCING
MAGNETOM Skyra:
the only MRI that offers
Illumination MoodLight™

Nervous patient? We understand.

That's why we now offer a technologically advanced MRI — with a twist.

Not only does our 3T MAGNETOM Skyra provide a 70 cm, **Open Bore** design and **faster scans**, but your patients can even **choose the lighting** color that suits them best!

The result is a more relaxed, comfortable exam for your patients — without compromising diagnostic confidence for you.
