Introducing the 3T MAGNETOM Skyra MRI

**When it comes to MRIs, a stronger magnet delivers a clearer image.**

3T is the most powerful magnet clinically available, and our new 3T MAGNETOM Skyra delivers high-quality images, **even for patients up to 550lb/250kg**, helping to increase your diagnostic confidence.

Offering exclusive **Tim 4G and Dot** technology, it provides a faster and more comfortable MRI exam. And its **70 cm Open Bore** design can help prevent that "closed-in" feeling.

Provide your patients with one of the highest quality MRI exams available today! Call ABC Imaging Center for your next MRI referral.

Now available at ABC Imaging Center — 000-000-0000
