

Two exams in one.

Get faster MRI and PET results in one visit with Biograph mMR.

It's the first 2-in-1 scanner.

Has your doctor prescribed MRI and PET exams for you? Now there's no need to schedule multiple visits or move from one scanner to another. With Biograph mMR, you can have both scans at the same time — for more convenient exams, faster results, and lower total radiation exposure compared to some other imaging exams.

You'll welcome the convenience — and your doctors will appreciate the greater diagnostic confidence that comes with Biograph mMR. Its precisely aligned images reveal a more comprehensive picture of the body's internal structure and cellular activity in just one scan.

Ask your healthcare providers about Biograph mMR today — it's now available at our center.
