- Under development. Not available for sale
- Not available for sale in the U.S.
- For forensic toxicology use only
- Also available in concentrated version
- Only available in concentrated version
- Available with LOCI® technology
- Syva® EMIT® application
- No manual pre-treatment
- Validated application
- Under development on the ADVIA Centaur XPT
- Not available for sale in the U.S. on the ADVIA Centaur XPT System

A Available for sale only in Japan  
 B The ADVIA Centaur HCV and HIV assays are developed, manufactured and sold by Siemens for Ortho-Clinical Diagnostics and Grifols Diagnostic Solutions.  
 C Meets the 2015 ESC guidelines for the management of acute coronary syndromes in patients presenting without persistent ST-segment elevation
