How do I get to the Department of Radiology?

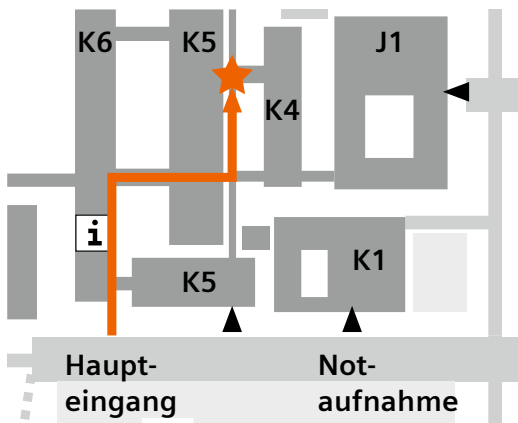

Outside the building:

We meet on both days, Friday and Saturday at 8:55 at the reception desk of the department of Radiology ("Roentgen Anmeldung"):

Enter the main building (building K6) of Hannover Medical School at the main entrance ("Haupteingang"):

Inside the main building K6:

- Pass the "Degussa bank" to your left and the "information desk" to your right. Walk straight ahead for 50m.
- Once you see several elevators at "Knoten A", turn to the right, pass the secretariat of Radiology to your left.
- Once you get to the main corridor of building K5, turn to the left and pass the post-treatment care area of angiography ("Angiographie Nachsorge") on your left.
- After 50m, you see the reception desk of the department of Radiology ("Roentgen Anmeldung", yellow Asterisk) to your left – this is where we meet.
