# Application for Course Recognition

## 01 Student Details

**Student Name**

**Matriculation Number**

**Address**

**E-Mail**

## 02 Recognition Request

I hereby apply for the following in the Master's programme in Philosophy & Computer Science:

☐ Recognition of the coursework and examinations listed below

**Completed in the programme**

**At the university**

☐ I also request recognition of _____ academic semester(s).

Recognition of academic semesters should only be requested if an upgrade is needed, e.g., for continued eligibility for BAföG benefits. As a rule, one semester is recognised for every 30 recognised credit points.

☐ Crediting of the skills listed below, acquired through:

**Vocational or school education, further studies, or professional practice**

Please attach a transcript of records or grade transcript and, if changing universities, module descriptions of the credits already earned. Once credits have been recognised or transferred, they cannot be withdrawn or changed.
