

AI Declarations for Writing Academic Papers

I hereby confirm that I have written this term paper / seminar paper / B.A. thesis / M.A. thesis entitled

(title)

exclusively as part of the course

(course title)

(Instructor)

at the University of Bayreuth during the WiSe / SoSe _____, and that I have written this work independently, using no sources or resources other than those listed in the bibliography.

I hereby agree that this thesis may be examined by the examiner in electronic form using the appropriate software.

Where passages in this work have been taken from other works, either verbatim or in substance, the sources (including the World Wide Web and other electronic collections of text and data) have been cited in each instance. This also applies to any accompanying drawings, illustrations, sketches, etc.

In addition to the sources cited in the text, the following resources were used during the preparation and/or writing of this term paper

(Tick the appropriate box):

☐ (Native-speaker) proofreading of the thesis, which was otherwise written without external assistance

☐ Conversational large-language models (e.g. ChatGPT); the relevant passages in the essay are clearly identified by footnotes or endnotes.

☐ (Online) proofreading/translation services (e.g. DeepL, Grammarly, Google Translate); the relevant sections of text are clearly marked in the essay by means of footnotes or endnotes.

☐ Miscellaneous: _____

(Place / Date)

(First name and surname in block capitals)

(Signature of the author of the seminar paper)

As at October 2026
