

Serve-over cabinet  
TectoPromo FL2 Aida

**VIESSMANN**

Versatile front line display cabinet for bakery products

## Increase sales with an eye-catching display

TectoPromo FL2 Aida is an innovative display range where design meets functionality and the latest technology meets eco-friendly ideals.

### The best technical performance in its class

TectoPromo FL2 Aida has been developed to meet the most demanding customer needs and truly has it all – from outstanding design to superior technical details. TectoPromo FL2 Aida performs at the top of its class and uses 20% less energy than average serve-over counters of the same size. The stable and excellent temperature levels of this serve-over are ideal for even the most demanding product categories. Environmentally friendly refrigerant R290 is standard for most models.

### Efficient use of floor space

TectoPromo FL2 Aida is a versatile, easy to maintain and eco-friendly range of display cabinets for sandwiches, baquettes, pastry,

snacks and other delicacies. Several cabinet models from service to self-service and different colour options make it a perfect fit for a convenience store or any shop floor or café, no matter how small. New self service models with glass covers offer a fast and convenient way for shoppers to do their purchase.

TectoPromo FL2 Aida has plenty of shelf space. Glass shelves and two front glass options make for great product visibility. This versatile display family truly is a masterpiece.

TectoPromo FL2 Aida is available as a plug-in cabinet.

### Choose TectoPromo FL2 Aida for

- Versatile with several models from serve-over cabinets to bake off and self service models
- R290 as refrigerant
- Fits any store concept with wide range of glazing units
- Effortless usage for both customers and staff
- Beautiful styling and lighting present the most delicious looking products
- Easy maintenance and cleaning
- Excellent technical performance where a constant temperature is guaranteed, even for the most delicate pastry
