TectoPromo MD2 Euromax

Maximised display area for chilled food and beverages

For all shop concepts and all products

TectoPromo MD2 Euromax is suitable for multiple shop formats including retail, petrol stations, convenience stores and forecourt kiosks. Its market-leading display area is just the start. TectoPromo MD2 Euromax is versatile and can be used to sell dairy products, salads, meat products, beverages and even pet food. Its temperature performance is exceptional ensuring the most delicate products stay fresh and continue to look appealing. This is the one-stop shopping cabinet that enables even the smallest store to offer an extensive product range.

Side and canopy lights, glass end panels and a large display opening present all the delicacies at their best.

TectoPromo MD2 Euromax is available with thermo glass doors.

Technical specifications
