One-stop-shopping cabinet to display an extensive product selection

TectoPromo MD2 Euromax's cavernous display area takes care of high volumes of a wide selection of products displayed together. Its perfected dimensions and design suit various store formats and it's fast to refill. This multideck has it all.

For all shop concepts and all products

TectoPromo MD2 Euromax is suitable for multiple shop formats including retail, petrol stations, convenience stores and forecourt kiosks. Its market-leading display area is just the start. TectoPromo MD2 Euromax is versatile and can be used to sell dairy products, salads, meat products, beverages and even pet food. Its temperature performance is exceptional ensuring the most delicate products stay fresh and continue to look appealing. This is the one-stop shopping cabinet that enables even the smallest store to offer an extensive product range.

Side and canopy lights, glass end panels and a large display opening present all the delicacies at their best.

Fresh, efficient and sustainable

TectoPromo MD2 Euromax has many features that make it sustainable. Refrigerant R290 together with e-core air curtain technology ensure the best possible cabinet temperature performance. LED lighting, glass doors and water pump save energy, improve the product visibility and guarantee fresher products and more stable temperatures.

TectoPromo MD2 Euromax is available with thermo glass doors. It can be delivered as a plug-in cabinet.

Choose TectoPromo MD2 Euromax for

- Sustainability with R290 as refrigerant
- Excellent product temperatures for multiple food categories
- Wide opening with largest display area on the market
- Four cabinet models to match any store layout
- Easy front service access that maximizes productivity and minimizes service costs
- Energy efficiency, saving costs and helping to protect the environment
