

Upright freezer cabinet
TectoFreeze VF1 Luxo

VIESSMANN

High volume freezer line

Tiefkühlprodukte diepvriesproducten

Large volume freezer cabinet with full glass-doors

TectoFreeze VF1 Luxo offers great product visibility and volume.

New brands, flavours and pack sizes are constantly being launched in the frozen food segment. While good for business, continual innovation places demands on product display equipment.

Visibility and shopping experience

TectoFreeze VF1 Luxo is a cabinet that truly has it all. Designed with a superior shopping experience in mind, efficient lighting, large glass doors and optional glass end panels culminate in a complete solution with increased product visibility at its core. Black door frames are available as an option to further increase product visibility.

Volume and technology for better business

TectoFreeze VF1 Luxo boasts superior temperature performance, energy efficiency and ease of maintenance. Low energy fans and LED lights guarantee further energy savings.

Choose TectoFreeze VF1 Luxo for

- Great product visibility
- Optional glass end panels for better product visibility
- Different cooling systems available
- Low-energy fans for energy saving
- LED lights for better internal illumination and energy efficiency
- Black door frames available as option
