Publish for a better future

Sustainability & Circularity NOW is a new peer-reviewed **Open Access** journal.

It will broadcast challenges and revolutionary solutions for a sustainable future. The scope of the journal covers the following fields:

Circular Design • Circular Economy • Sustainable Chemistry and Materials • Green Manufacturing and Engineering • Biomass or Wastes as Raw Materials • Bioplastics • Biofuels • Metal Recovery and Recycling • Renewable Clean Energy • Life-Cycle Assessment • Environmentally Friendly Reagents and Feedstocks • Sustainable Synthesis and Catalysis • Sustainable Industrial Processes

3 reasons to publish in SusCircNOW:

- SusCircNOW aims to contribute toward the UN-SDGs (Sustainable Development Goals)
- The cross-divisional mindset expands your horizons
- Fast publication – using Select Crowd Review you'll receive a comment within days
