

## Thieme Group: Change of Distribution Service Provider to Müller | Die lila Logistik

Thieme is changing its book distribution service provider:

**From 1st October 2026** MLFS is taking over book distribution for the Thieme Group in Germany. Thieme books will be stored, picked and packed, and delivered to trade partners from MLFS's warehouse in Blaufelden in Baden-Württemberg, Germany.

Please note the following key dates and information:

### Invoices

The final invoicing day at Zeitfracht Kolibri is **28th September 2026**

After this date new orders will be parked and sent to MLFS on **1st October 2026**.

### Orders

Please continue to order as usual, including your customer number (these remain unchanged), via [sales@thieme.de](mailto:sales@thieme.de). We will ensure that orders are sent to the correct place for processing.

### Customer Service/Contact

thieme@lila-logistik.com

Your contact details here at Thieme remain unchanged: sales@thieme.de

### Returns

No returns will be processed at Zeitfracht Kolibri after **14th September 2026**. Until the end of 2026, any late returns will be redirected to MLFS and processed there; obviously this will take longer than sending them straight to MLFS. From 1st January 2027, any returns arriving at Zeitfracht Kolibri will not be stored or returned.
