Frequently Asked Questions

Q1: Why is there a charge for print copies if the journal is Open Access?

The fee for print copies covers the costs of physical production, paper, binding, printing, quality assurance, and domestic shipping within India.

Q2: Is this service available to customers outside of India?

No. This is an exclusive service designed for institutional and individual customers within India only. Orders with shipping addresses outside of India will not be processed under this service.

Q3: What content will I receive in the print copy?

You will receive the exact, peer-reviewed articles that are published in the corresponding Open Access online journal issue. The content is identical.

Q4: Can institutions and individuals both order?

Yes. The service is tailored for both institutional customers (libraries, universities, research centers) who need to add to their collection, and individual customers (researchers, faculty) who prefer a personal hard copy.

Q5: Are all Open Access journals available in print?

No. If it is not explicitly listed in the price list, it is likely not available.

Q6: When will I receive the print issue after it's published online?

The print issue will arrive later than the online version. The print issue requires additional time for printing and shipping. The delay can range from a few weeks to several months.

Q6: Can I buy a single print copy of a specific article instead of a whole issue?

No

Q7: How do I order a print subscription or a single issue?

You can order directly through our website <https://shop.thieme.in> or email your order to marketing@thieme.in or order through your journal subscription agent.
