Check-in, baggage drop-off

In the interest of a seamless check-in and punctual departure, it is necessary for you to punctually arrive at the check-in desk of your airline (we suggest 90-120 minutes beforehand). A late arrival may lead to a refusal to transport you. Please inform yourself at your airline regarding the check-in cut-off times.

Visa, passport and customs

You cannot fly without valid travel documents. Please inform yourself in good time about the current entry requirements for your destination.
