Induction Celebration

Watch Party Tips

August 23rd, 2025 | 6pm EST

A GUIDE FOR COACHES

Event Planning

INVITATIONS & PROMOTION

- Send invitations at least 2-3 weeks in advance to all program participants
- Highlight this year's inductees: Bob & Mike Bryan and Maria Sharapova
- Use multiple communication channels: email, club newsletter, bulletin board, and social media
- Include RSVP deadline and contact information for questions
- Specify supervision arrangements: mention whether parents are welcome to join or whether they should drop off their players

VENUE SET-UP

- Identify or reserve a comfortable room with good viewing capabilities
- Test audio/visual equipment and technology (e.g., projector, tv, internet connection, streaming speed) before the event day
- Arrange seating in a theater-style setup with good viewing angles for all
- Have backup viewing options in case of technical difficulties

Virtual Watch Parties

- Choose an accessible streaming platform like Zoom, Google Meet, or Microsoft Teams
- Send detailed connection instructions with the invitation, including a backup link
- Assign a technical host separate from the main facilitator to handle virtual logistics
- Consider creating and distributing small "watch party kits" in advance with activities, themed snacks, and materials
- Use platform features strategically:
 - Breakout rooms for small-group discussions about inductees
 - Polls for predictions and trivia
 - Chat for ongoing engagement and questions
- Screen sharing for supplemental content during breaks
- Have participants post photos of their at-home watch setups: #InductionCelebration #Classof2025 @tennishalloffame
- Record the session (with permission) to share highlights later
