

Sequencing Timeline

Write the person's name on the line. Next write important events in the order in which they happened.

Important events in _____ life.

A horizontal timeline line with five small circles marking points. Above the line are three empty rectangular boxes, and below the line are two empty rectangular boxes. Dotted lines connect each box to a point on the timeline: the first box to the first point, the second box to the second point, the third box to the third point, the fourth box to the fourth point, and the fifth box to the fifth point.
