A photograph of a building's exterior wall, featuring a window and decorative floral murals. The wall is a light, textured beige color. Above the window, there is a mural of a plant with green leaves and blue and yellow flowers. To the left of the window, another similar mural is partially visible. The window itself is dark-framed and reflects the sky. The sky is a vibrant blue with scattered white clouds. The overall composition is a low-angle shot looking up at the building.
