The Honorable Ms. Michaela Christiane Wiezorek  
Mayor of Konigs Wusterhausen

Dear Mayor Wiezorek,

We hope this letter finds you in the best of health and spirits. We would like to express our sincere gratitude for your continued understanding and support of the activities of Mayors for Peace.

We are pleased to inform you that the 11th General Conference of Mayors for Peace was successfully held in Nagasaki from August 7 to 10. The conference welcomed 228 participants from 139 member cities in 15 countries. During the conference, participants engaged in active discussions under the theme *Towards a World without Nuclear Weapons—A Peaceful Future Envisioned as Global Citizens*. As a result, the Mayors for Peace Action Plan (2025-2029) was adopted, along with the Nagasaki Appeal.

We are deeply grateful for your presentation on Involvement of young generations during Session III. Your insights greatly contributed to enhancing participants' understanding of your city's role in Promoting the Culture of Peace.

Building upon the outcomes of the conference, we will implement concrete initiatives based on the four pillars of our Action Plan: VOICE (raise citizen voices for the abolition of nuclear weapons), LINK (deepen collaboration among cities), PEACE (foster the culture of peace in communities), and RISE (strive for the sustainable development of our network). Through these efforts, we aim to realize a peaceful world free from nuclear weapons. We sincerely ask for your continued engagement in the Mayors for Peace initiatives.

In closing, we would like to offer our best wishes for your continued good health and every success in your future endeavors.

Sincerely yours,

MATSUI Kazumi  
President of Mayors for Peace  
Mayor of Hiroshima

SUZUKI Shiro  
Vice President of Mayors for Peace
