

Black Lift Lock and I-Series

- Well-ventilated design maintains product freshness and quality
- Suitable for both refrigerated and dry displays
- Rounded inner corners protect delicate products

A series of sturdy, food-safe reusable plastic containers (RPCs) suitable for all fresh fruit, vegetables, meat, eggs and bakery products. Tough and durable, their design ensures the best possible temperature control, maintaining product freshness and quality throughout the supply chain. Also ideal for point-of-sale (POS) display. Available in nine sizes.

Usability

Optimized for fresh fruit, vegetables, meat, eggs and bakery products

Protecting your produce

Sturdy construction and secure stacking protect products

Made from UV-resistant, food-safe polypropylene

Maintaining maximum product freshness and quality throughout the supply chain

Efficient handling

Fast manual or automated unfolding

Easy stacking with minimum effort

Ergonomic design with handles on four sides

Ideal for in-store display

Shoppers prefer IFCO RPCs to cardboard boxes for display¹

Quick and easy to replace in store, saving time and money

Helping you operate more sustainably

Reusable over many years, eliminating waste

After useful life, material is recycled into new RPCs

Reduced waste, pollution and use of natural resources²

Standardized for maximum convenience

Compatible with all other IFCO RPCs

Compatible with all standard pallets

Optional graphics and labels for branding available

Pooled and serviced through IFCO's network of service centres

1. Global Shopper Produce Display Preferences Survey conducted by Brandcheck, 2016
 2. Comparative Life-Cycle Assessment of Reusable Plastic Containers conducted by Franklin Associates, a Division of Eastern Research Group (ERG), March 2016

IFCO partners with growers and retailers to deliver fresher, healthier food to the world.

Instructions for use

Opening – small sizes (6408–6419)

- 1 Grasp the short-side handles and pull outward
- 2 Open fully and the walls will lock in place

Opening – large sizes (6423–6429)

- 1 Grasp the long-side walls and lift
- 2 Grasp the short-side handles and pull outward
- 3 Open fully and the walls will lock in place

Stacking

- 1 Grab the handle and lift to stack. Do not grab the lift latch or locks will disengage
- 2 Align RPCs and place on top of stack. As with all RPCs, latches must be fully engaged for pallet security, particularly at lower levels

Closing

- 1 To disengage latches, pull up on the lift bar
