

Declaration of consent for photography and filming

With registering for the Digital Tech Ops Ecosystem Event in Seoul I give permission to Deutsche Lufthansa AG and its affiliated companies to use the photos and videos taken by me on 19 October 2026 during the event in Seoul, Republic of Korea for internal and external purposes such as internal communication, public relations, social media, marketing and press relations. I also consent to the processing and storage of the photos by the commissioned photographer/filmmaker.

I also agree to the mention of my first and last name in case of publication.
