BasicFit

GuideU BasicFit is your new and highly cost-efficient way to meet all aviation requirements without compromising on quality.

GuideU BasicFit is only available in one standard color, but also without scratch protection it offers the same quality standard and 100% relaibility like ColorFit and CustomFit.

All benefits from the GuideU 1000 Series are included: No life limitation, no maintenance and no power required. BasicFit can also be combined with our Filler, Carpet Protector and Adapter. Cutable with our GuideU Scissor it offers an easy installation.

Why BasicFit?

- Add-ons like Filler, Carpet Protector and Adpater
- All benefits of the GuideU 1000 Series
