1/ Notes

- LHT means Lufthansa Technik AG including its subsidiaries
- Price List applicable for all of European and Worldwide Line Maintenance network stations of LHT where a local price list is not available.
- LHT has the full rights to modify this price list at any time without any written notice.
- Delivery subject to local availability per each line maintenance station.
- Specifications subject to change without notice.
- Correction of errors and omissions excepted.
- Actual latest applicable revision can be found on www.lufthansa-technik.com/line-maintenance.
- All prices listed are given without value-added tax or other similar taxes that may be added to the price, when required, in accordance with German and/or local legislation.
- The charges listed under «Contracted Customer» are only applicable for customers holding a valid IATA SGHA Annex B Agreement for the respective location.
- For non contracted customers a Work Order signed by the authorized customer representative is required before any work commences.
- All charges listed in EURO (€) Currency.
- All services mention in this price list are subject of local availability and capability of each LHT station.
- All services are based on the Lufthansa Technik Standard Terms and Conditions for Maintenance Services in the actual version under the link <https://www.lufthansa-technik.com/en/standard-conditions>

6/ Facilities

Contracted Customer

ACT-Code	Description	Price (€)	Price (€)	Price (€)
	Hangar Fee (minimum 8,0 hours will be charged) Additional utilization above the initial 8 hour period will be charged in segments of 8.0 hours.	Hangar Fee	Hangar Fee Winter Season	Apron Fee
	Apron Fee (minimum 8,0 hours will be charged) Additional utilization above the initial 8 hour period will be charged in segments of 8.0 hours.	Summer Season 01.04. – 31.10. for 8.0 hrs	01.11. – 31.03. for 8.0 hrs.	for 8.0 hrs
	Aircraft Type			
	Aircraft with MTOW < 50 t.	1.416	2.052	744
	A220 / 320 Series / B737-Series	2.305	3.805	816
	A330-200/300 / A340-200/300	5.553	9.170	2.284
	A350-Series / B787-Series / A340-500/600	6.912	11.414	2.844
Hangar Fee Summer 347	A380	8.348	13.782	3.433
Hangar Fee Winter 348	B757-Series / B767-Series	3.780	6.240	1.554
	B777-Series	6.929	11.440	3.408
Apron Fee 349	B747-Series / B747-8 Series	7.550	12.468	3.607
	Aircraft not listed, with MTOW above 50 t. will be charged with listed rate per t. MTOW for 8.0 hours flat.	31	50	14

The charges listed above are without aircraft towing, but include wing walker for aircraft hangar positioning, GPU inside the hangar, light, step to access aircraft, hangar crane and in winter season hangar heating.

Non Contracted Customer

The charges listed above will be increased by 75% for customer not holding a valid SGHA Agreement.
 Info: Computational examples see last page.

6/ Facilities (cont'd)

Hangar Space Cancellation Fees

If a Hangar Space reservation is cancelled by the customer, a cancellation fee applies. The fee is related to the lead time of cancellation.

Lead time of cancellation	Fee (as a fraction of the reservation period) Capping at the equivalent charge for 72 hrs.
14 days	10% of reservation period
7 days	30% of reservation period
24 hrs	80% of reservation period

Engine Test Run/Silencer Facilities

Description	Contracted Customer		Non Contracted Customer		Unit
	ACT Code	Price (€)	ACT Code	Price (€)	
Use of Noise Protection Hangar according local requirement applicable at HAM only	550	2.159	580	2.685	Per Hour

Disposal Costs

Description	Contracted Customer		Non Contracted Customer		Unit
	ACT Code	Price (€)	ACT Code	Price (€)	
Disposal Basic Fee	580	368	580	452	Event
Used Oil, Kerosene	580	13	580	16	Ltr
Chemicals, Solvent, Color and Varnish	580	25	580	31	Ltr
Fluorescent Tube	580	13	580	16	Piece

7/ Material Management

ACT-Code	Description	Price (€)	Unit
Storage of Customer own Material:			
391	Basic Storage Fee	500,00	Month
Spare Part Storage (per part number) (excluding Wheels/Brakes)			
	Nbr	1	2
	0	67	90
	10	272	293
		314	335
		356	377
		398	419
		440	461
			Month
391	20	480	499
	30	668	685
	40	836	851
	50	986	Each subsequent part number, additional 15,00 EUR
Example for Storage of 15 part numbers: 500 + 377 = 877 EUR/Mth			
391	Extra Charge for Wheels/Brakes per Item (not part number)	82,00	ea. monthly
391	Temporary Storage in Hangar area outside logistic storage facilities	TBD	Per sqm/per day
Handling of Customer own Material:			
393	Material Shipping/Receiving per 1 part number	150,00	per part handled
393	Additional charge for each component above 40 kg	150,00	per item
393	Additional charge for Dangerous Goods Shipping/Receiving	120,00	per part handled
393	Customs clearance basic fee	150,00	per shipment
393	Customs clearance per PN from the shipment	8,00	per item & shipment
393	Customs clearance High Value Material / items >500kEUR Example : Unit Value 500 KEUR = 500 kEUR / 50 kEUR = 10 10 x 100 EUR = 1.000 EUR	100,00	per 50 k€ / Min. 1 k€ capped 2.5 k€
Disclaimer/Note:			
Customer (contracted and non-contracted) is fully responsible that condition of its own Material and the transport to/from our logistic storage is in accordance with all laws and regulations applicable in its country of establishment and all other countries in which Services are provided according to this Price List			
- applicable IATA and/or ICAO and/or INCO Terms and/or other governing rules, regulation and procedures			
- all international treaties and regulations that apply in general to commerce and in particular to handling, transportation and customs clearance of Customer's own Material			
* Customs clearance high value example Unit price 500.000EUR = 500.000EUR / 50.000 = 10 = 1 x100EUR = 1000EUR			

7/ Material Management (cont'd)

ACT-Code	Description	Price (€)	Unit
Sale of consumable Material:			
	Disclaimer/Note: Material list prices are based on a LHT internal material master data list (IBO) which is not for public use. Prices of this internal master data list are dynamic and can vary on a daily basis, subject to market situation on the buyer market.		
Contracted Customer:			
523	Parts below or equal 100,00 EUR list price: Sale of consumable Material will be subject to a handling charge as following (on top of LHT material list price):	35,00 €	Per Part Number or P/N set provided
523	Parts above 100,00 EUR list price: Sale of consumable Material will be subject to a handling charge as following (on top of LHT material list price):	35 %	
Non-Contracted Customer:			
523	Minimum Administration/Handling Fee per each single Sale order of LHT Stock available Material (on top of LHT material list price):	400,00 €	Per Part Number or P/N set provided

8/ Engineering Services

Description	Customers with a separate CRAS contract		All other Customers (SGHA contracted and non-contracted)		Unit
	ACT Code	Price (€)	ACT Code	Price (€)	
EASA Part-21J Engineering Support Issuing of CRAS (Change/Repair Approval Sheet, type "minor" only) on request, per event and sheet issued. (workload per CRAS handling limited up to 8mhrs) Does not include: • any manufacturer support required • Additional engineering hours required for investigation and clarification, same will be charged according ACT Code 375	580	As contracted per separate CRAS contract	374	9.630,00	Event
Engineering Support out of FRA	580	As contracted per separate CRAS contract	375	489,5	Per Hour

9/ ChipCheck® Debris Analyzer

The ChipCheck® can analyze quantity, size and alloy of metallic debris using a Laser Chromatograph in very short time frame. It generates a sample report giving all details in visual as well as table format and is accepted by many engine OEM's as analysis tool to decide on airworthiness of an engine.

Description	Contracted Customer		Non Contracted Customer		Unit
	ACT Code	Price (€)	ACT Code	Price (€)	
ChipCheck® Debris Analyzer (including 2 manhours usage) (FRA only / device not for rental)	580	1.870	580	3.135,00	Event

10. Contacts

Hangar space invoice examples

Contracted customer (e.g. Hangar BUD or SOF for 1 day – Summer)

Summer Saison / AC Type A320 / Hangar Fee 2.305€ / 8 hours

1 day = 2.305€ x 3 = 6.915€ (3 x 8 hours)

Non contracted customer AOG (e.g. Hangar BUD or SOF for 1 day – Summer)

Summer Saison / AC Type A320 / Hangar Fee = 2.305 x 1,75 = 4.033€ / 8 hours

1 day = 6.915€ x 1,75 = 12.101€ (3 x 8 hours)

11. Workorder with Standard Terms and Conditions for Maintenance Services (Sample)

For non-contracted customers, a Workorder will be prepared for each handling and must be signed by authorized customer representative prior start of services. When signing the Workorder, the Standard Terms and Conditions and the applicable pricelist will be accepted.

The actual valid Standard Terms and Conditions can be found under www.lufthansa-technik.com/standard-conditions.

A sample of our Workorder attached at following page.
