

Air Agency Certificate

KINGDOM OF SAUDI ARABIA GENERAL AUTHORITY OF CIVIL AVIATION

Certificate Number:

AMO- 114FK

This Certificate is Issued to:
Lufthansa Technik Malta Ltd. (MLA)

Whose Primary address is:
**Lufthansa Technik Malta
Hal Farrug Road, Luqa,
Malta**

This certificate unless
cancelled, suspended,
or revoked shall
continue in effect
until:

31 DEC 2025

Upon finding that its organization complies in all respects with the requirements of the General Authority of Civil Aviation Regulations relating to the establishment of an Air Agency, and is empowered to operate an approved Repair Station under **GACAR Part 145** with the following rating:

**Limited Airframe, Limited Instrument, Limited Radio, Limited Accessories
Limited Nondestructive Inspection, Testing, and Processing
Limited Aircraft Painting**

Subject to the conditions, and limitations specified in the Operations Specifications.
This certificate is not transferable and any changes in the basic facilities, or in the location thereof, must be immediately reported to the appropriate office of the General Authority of Civil Aviation.

(Note: All foreign-based aircraft repair stations or aircraft maintenance organizations with Part-145 approval from GACA must hold a valid repair station certificate issued by the FAA, USA or by the local National Aviation Authority (NAA) of the ICAO contracting state where the repair station is located. The validity of the GACA approval, in addition to the expiration date given on the certificate, is contingent on the ongoing validity of the NAA or FAA approval. In case the FAA or NAA approval expires, is canceled, or withdrawn, the GACA approval will also be considered terminated, effective from the same date the FAA or NAA approval becomes invalid.)

Date of Original
Issuance:

08 DEC 2020

Date of Issuance:

15 DEC 2024

For Moosa A. Alqabbaa

Capt. Sulaiman Saleh Almuhaimeedi
EVP of Aviation Safety and Environmental Sustainability

QCM	Issue No.07 (as revised and accepted by the GACA)

Date Issued 05 MAY 2024

OPERATIONS SPECIFICATIONS

d. **Limitations:** Unless otherwise permitted under manual revision procedures approved by the President, all revisions to the accepted content of these manuals must be accepted by the President prior to its promulgation and use.

e. **Emergency Revisions.** For safety reasons, a certificate holder may find it necessary to immediately revise accepted material in the Repair Station Manual before there is an opportunity to coordinate the revision with the PMI. For example, a certificate holder may become aware of a deficiency after business hours, on a weekend, or on a holiday. When emergency revisions to material are made, the certificate holder must notify the PMI of the revision at the earliest practical opportunity (preferably the first working day after the action).
