

# Hygiene rules of Fraunhofer Institute FOKUS

---

## A

---

People with symptoms of a COVID-19 infection like cough, fever, cold or a sore throat may not enter the institute building. People with these symptoms must leave the building immediately.

## B

---

People in contact with persons with such symptoms may not enter the building either. This applies especially for contacts to suspected or confirmed cases of infection or quarantine or isolation measures.

## C

---

Only those who can show a negative rapid antigen corona test result or a negative PCR test result are allowed to enter the institute. The test result must not be older than 24 hours. **Vaccination or a proof of recovery does not replace the negative rapid test result.**

## D

---

Alternatively, appropriate rapid test kits are available in the designated self-test areas of the institute. Please allow at least 20 minutes for the on-site testing, including preparation time.

Further information about the symptoms of COVID-19 disease can be found at the Federal Centre for Health Education.

## E

---

The following applies to the stay in the building:
