

# 5G TECH AND APP CONTEST

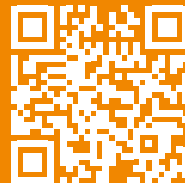

**LET'S GET YOU 5G READY!**

You are working on a network function or an application?

Prove your product in the 5G testbed in Berlin.

Pitch your idea at the FUSECO Forum to industry leading experts.

## WHAT'S YOUR BENEFIT?

- A comprehensive self-contained 5G Ready telecom network
- Benchmark and test in a real 5G state-of-the-art environment
- Consultancy on how to improve the products for the age of virtualization and the 5G world
- A Fraunhofer FOKUS 5G Ready certificate

## WHAT DO YOU HAVE TO DO?

- A 100 words text or
- A 1-minute elevator pitch video on how your product would fit a 5G testbed environment

## WHAT DO YOU GET?

- Get two free tickets for the FUSECO Forum
- Present your component or app on a booth
- Pitch your component or app in front of tech experts
- Get the chance to win two weeks of testing your product within Berlin's 5G testbed

## Send your application to:

fuseco@berlin-partner.de  
until October 10th, 2017
