- All prices mentioned are monthly and do not include VAT. Dependent on the billing address and the status of the customer (individual / corporation) additional taxes may apply.
- Cost per additional CMS object is calculated per day with the daily maximum of published CMS objects and billed pro rata.
- Editors count as monthly active editors for the current month as soon as they log in at least once during a calendar month.
- Scrivito is operated under the „General Terms and Conditions of Infopark Cloud Services“ ([scrivito.com/terms-of-service](https://scrivito.com/terms-of-service))
- Infopark is entitled to change the prices, also for an existing subscription, at any time after written notice via email, within a period of three months. In the case of a change in price to the detriment of the customer, a customer has a special right to a written termination within four weeks.
