SCRIVITO PRICING FOR INDIVIDUALS

Our fair and simple **Scrivito Pricing for Individuals** allows individuals, bloggers, small business owners, start-ups, freelancers and smaller agencies to use the powerful possibilities of Scrivito to create and manage web sites.

Every individual plan features exactly the same technology we use to power the websites of our large enterprise customers - for a fraction of the price. Your website is always available, scalable and secure, ensuring your peace of mind even in the middle of the night.

BASIC PLAN

max. 200 published content objects
1 editor login
2 working copies
10 GB data transfer included

\$ 5.99 / MONTH
